

2020 Adult Softball League Covid-19 Rules:

Managers need to go over the restrictions with their players:

- Stay home if you are sick.
- Only team players and one scorekeeper can be on the field during the games.
- Please wear a face covering when not playing or follow 6' social distancing
- Players in dugouts should wear masks or socially distance
- No fans, no family, no photographers on the field, dugout, or in on bleachers at any time
- No handshakes after the game
- Managers and Umpires must wear a mask at pregame meeting
- Each team must provide a ball when on defense
- Please do not congregate
- Do not enter the field or warm up for second game until both teams from first game have left the field
- Team area must be picked up immediately after game
- Please use proper hand hygiene before and after your game
- Participating in this activity is at your own risk

Failure to follow these guidelines may cause the league to be cancelled!
